Apply to become the Coordinator of the Commonwealth Youth Climate Change Network (CYCN)

The Commonwealth Youth Climate Change Network (CYCN) is a network of young climate leaders and youth-led organisations leading climate action. The objective of the network is to build the capacity of young people in their endeavours to address climate change and other environmental issues, advocate on climate change from a youth perspective. The scope of the network extends to environmental sustainability, oceans and marine life, natural resource utilization etc.

The CYCN supports actions that empower young people to translate climate change programmes into effective policies that have a measurable impact on youth well-being. It also links projects implemented by its members across the Commonwealth in order to develop common actions and campaigns. CYCN advocate within national and local governments, and globally as well. The Network endeavours to make climate change a top priority for young people across the Commonwealth and to engage them as key stakeholders in addressing the threat at grassroots, national and regional level through individual and collective sustainable solutions.

CYCN is searching for their next Coordinator to support the passionate leaders of the executive team. We are inviting applications from young, highly resourceful and suitably qualified individuals who are familiar and passionate about growing and advocating for Climate Change and environmental sustainability across the Commonwealth.
