Digital Inclusivity: Building Skills for Women and Girls

22 April 2021 , 1100 – 1345 BST

The Commonwealth Secretariat is partnering with Women Will, a Grow with Google programme to present a webinar on digital skills for Women and Girls. The agenda includes a lineup drawn from the Secretariat and accredited organisations, TradeMark EA and Google. The webinar, which coincides with the international celebration of Girls in ICT day, will include impact stories by women who have benefited from digital skills; and three panel sessions from experts across the Commonwealth.
