

INVITATION TO SIDE EVENT:

COVID-19, VULNERABILITY AND THE URGENT NEED FOR ACCESS TO FINANCE IN SMALL STATES

The Commonwealth Secretariat and AOSIS will co-host a side event in the margins of the 75th UNGA, focusing on the economic impact of COVID-19 on small states, and will highlight the urgent need for improved access to financial resources and debt relief in order to secure small states' economic resilience, and progress on their SDGs and climate targets.

The event will serve as a platform for small states to call for increased partnerships and concerted efforts towards a special and exceptional status, now more important given that their vulnerabilities have been further exposed by COVID-19.
